Celebrating the life of Kathy Boudin

*You may write me down in history
With your bitter, twisted lies,
You may trod me in the very dirt
But still, like dust, I'll rise.*

...

*Just like moons and like suns,
With the certainty of tides,
Just like hopes springing high,
Still I rise*

...

*I rise
I rise
I rise*

A woman with curly hair, wearing a white tank top and a purple headband, is seen from behind, paddling a canoe on a large body of water. The water is blue with gentle ripples. In the distance, a small red boat is visible on the water. The background consists of a dense line of green trees under a clear blue sky. The text 'Forever in Our Hearts' is overlaid in the bottom right corner in a white, elegant script font.
